GREAT JOB!

This speaks volumes about the dedication and perseverance of your child and the dedicated staff at Fulton. The goal is to double the amount of students that score Advanced on Benchmark #3. Please follow-up with your child and their teacher to receive a detailed Benchmark #2 report. Teachers are available via phone, email, and in person by scheduling a time that is convenient for both you and the teacher to discuss your child's progress.

CST testing will commence the week of April 15th. It is imperative that we build upon the gains being made by our students. Our goal is to earn an 800 API SCORE. THERE ARE APPROXIMATELY 21 INSTRUCTIONAL DAYS REMAINING UNTIL THE CST!

Budget I am currently working on the budget for the 2013/14 school year. While there is less money in the budget than in the 2012/13 school year, know that every option is being considered to ensure that we maintain the programs and quality instruction that each child in every classroom rightfully deserves. I welcome your feedback regarding the allocation of funds, so please do not hesitate to contact me directly at smunro@sandi.net. Additionally, there will be a School Site Council (SSC) meeting on Wednesday, March 13th at 4:00 P.M. in room #2 to present and vote on the budget. SSC

Daily Attendance It is imperative that our students attend school EVERYDAY. Fulton can only be successful if all members of the team are present. To date, Fulton K-8 School has lost \$73,666.53 in Average Daily Attendance (ADA), which is valuable funding that we receive for each student. Approximately 20% of Fulton students have been absent more than 10% of the 2012/13 school year. Please ensure that your child is in school so they do not miss out on valuable classroom instruction needed for academic success and they realize their true potential.

News from the Nurse

6th Grade Tdap Attention 6th Grade Parents!

Students entering the 7th grade are required by California law to have a booster shot of Tdap. This immunization protects your child from whooping cough, because the dose they received for kindergarten entry is wearing off now. Students who do not have this immunization will not be able to start 7th grade. This year SDUSD had several students who were sent home on the first day of school due to missing vaccinations. We are happy to announce that **Fulton** will be offering a **free** immunization clinic on Wednesday March 20, 2013. A school nurse will be administering the Tdap vaccination in our clinic. **There is no charge for this immunization.** We highly recommend that you take advantage of this convenient offer which will save you the time and cost of a regular doctor's visit. A consent form is available in the office if you wish to take advantage of this free vaccination clinic.

MARCH 21st

Lifetouch Spring Pictures Spring pictures will be on Thursday, March 21st. Forms will be sent home with your student next week. Payment can be made online (mylifetouch.com) or please enclose payment in the form and return to the photographer on Picture Day.

Parent Teacher Conferences Our Parent Teacher Conferences are scheduled for March 13, 14 & 15th. Please be sure to sign up with your child's teacher. This is a great time to discuss your child's progress at school and find solutions to academics or behavioral problems. **Tutoring will be cancelled for March 13 & 14th and also March 28th. Tutoring date will be extended through May 16, 2013.**
